# Textbook

- Attending the lectures is not a substitute for reading the text

- Read the text and do as many exercises as humanly possible

- Chapter 1~9.

# Assignments

- **Given on slides**

- **Written Assignments**
  I choose them from our textbook.

- **Practical Assignments**
  Write declarative programs to solve some problems

%%以会做为目的，鼓励互相商量，有相似的需要注明有哪些人互相商量完成，例如"该题目经过和**一起讨论，已经会做！"，若有不会的，一定要注明，并尽量说明哪里不会。

# Marking Scheme and Policy

- **Attendance**    receive 0 if >3 times

- **Written Assignments**    **10%**

- **Practical Assignments**    **20%**

- **Final exam**    **70%**

# **In-Class Participation**

• **Finding errors in my slides (during the class period)**

• **Answering my questions**

• **Asking questions on the material**

# Out-of-Class

- **Read our textbook.**
  Understand the examples and theorems.

- **Do examples and exercises in the textbook.**

# Questions?
